"Flagpost-borge" på Roskilde Racing Center

**Beskrivelse**

På Roskilde Racing Center ønsker vi at etablere beskyttelse til officials.

Beskyttelsen bygges op som borge 8 forskellige steder på banen. Beskyttelsen bygges op som små borge, og fastmonteres på arealet, men kan tages ned og genbruges på andet baneanlæg, i fald at klubben måtte flytte fra anlægget.

Det bemærkes endvidere at klubben har en købspligt til anlægget, når lejeaftale udløber i 2019.

Klubben har modtaget tilbud på materialer på 8.550 Euro (excl. transportomkostninger). Klubbens medlemmer monterer og fastgør selv borgene.

Transportomkostninger er anslået til 10.000 dkr.

Der er vedhæftet tilbud fra 360 karting i Slovenien, samt billeder fra lignende flagposter fra en gokartbane i Kristianstad, Sverige
